[All] [Industry Knowledge] [Tools & Technologies] [Interpersonal Skills] [Languages]

Audiovisual ✏️
🅰️ Marketing & Audiovisual Volunteer

Social Media Marketing ✏️
🅰️ Marketing & Audiovisual Volunteer

Scripting ✏️
🅰️ Marketing & Audiovisual Volunteer

Dashboards ✏️
⚙️ Internship in Data Analytics at Maxxi

Excel Dashboards ✏️
⚙️ Internship in Data Analytics at Maxxi

Metabase ✏️
⚙️ Internship in Data Analytics at Maxxi

Data Analytics ✏️
⚙️ 3 experiences at Maxxi and 2 other companies
👥 Instituto de Matemática e Estatística - Universidade de São Paulo (IME-USP)
in Certificate in R for Data Science: Analysis and Visualization

Interpersonal Communication ✏️
⚙️ 5 experiences at Maxxi and 4 other companies
👥 2 educational experiences at Instituto de Matemática e Estatística - Universidade de São Paulo (IME-USP) and 1 other school
🅰️ Marketing & Audiovisual Volunteer

Business Intelligence (BI) ✏️
⚙️ Internship in Data Analytics at Maxxi
📦 Certificate in Business Intelligence (BI)

R Markdown ✏️
👥 Instituto de Matemática e Estatística - Universidade de São Paulo (IME-USP)
📄 Certificate in RMarkdown

Documentation ✏️
⭕ 3 experiences at FAU USP - Faculdade de Arquitetura e Urbanismo e de Design da Universidade de São Paulo and 2 other companies
👥 Instituto de Matemática e Estatística - Universidade de São Paulo (IME-USP)
📁 Scientific paper "A methodological approach for translating soundscape attributes using Twitter data: A Portuguese language case study", published in the Applied Acoustics Journal

Show all 4 details →

Problem Solving ✏️
⚙️ 5 experiences at Maxxi and 4 other companies
👥 2 educational experiences at Instituto de Matemática e Estatística - Universidade de São Paulo (IME-USP) and 1 other school
📁 Scientific paper "A methodological approach for translating soundscape attributes using Twitter data: A Portuguese language case study", published in the Applied Acoustics Journal

Databases ✏️
⭕ 4 experiences at FAU USP - Faculdade de Arquitetura e Urbanismo e de Design da Universidade de São Paulo and 3 other companies
👥 Instituto de Matemática e Estatística - Universidade de São Paulo (IME-USP)
📁 Scientific paper "A methodological approach for translating soundscape attributes using Twitter data: A Portuguese language case study", published in the Applied Acoustics Journal

Predictive Modeling ✏️
⭕ 3 experiences at FAU USP - Faculdade de Arquitetura e Urbanismo e de Design da Universidade de São Paulo and 2 other companies
👥 Instituto de Matemática e Estatística - Universidade de São Paulo (IME-USP)
📁 Scientific paper "A methodological approach for translating soundscape attributes using Twitter data: A Portuguese language case study", published in the Applied Acoustics Journal

Show all 4 details →

Presentations ✏️
⚙️ 4 experiences at Maxxi and 3 other companies
👥 2 educational experiences at Instituto de Matemática e Estatística - Universidade de São Paulo (IME-USP) and 1 other school

Analytics ✏️
⚙️ 4 experiences at Maxxi and 3 other companies
